To foster community involvement in the entrepreneurship initiatives of Perfect Pitch, we have a Pledge Program in which student organizations can raise money by pledging a certain number of pitches.

Participating UCLA student orgs will receive a cash donation from Bruin Entrepreneurs based on the number of pitches submitted before May 18 on behalf of their organization.

The different Pledge Program tiers are outlined below:

Pitches Submitted On Behalf of Organization*	Donation Amount	Donation Per Pitch
10	\$15	\$1.50
20	\$35	\$1.75
30	\$60	\$2.00
50	\$120	\$2.40

*each individual is allowed up to 3 submissions

Additionally, Bruin Entrepreneurs will be awarding the following prizes:

Most pitches submitted by an organization - \$100

Most finalists submitted on behalf of an organization - \$100

If your organization is interested in participating in the Perfect Pitch Pledge Program, please reach us at contact@perfectpitch.io, and we'll be happy to work out which pledge program tier best suits your organization!
